FONT FAMILY

- Font Family: Montserrat, Open Sans

- Google Font:

Header:

<https://fonts.google.com/specimen/Montserrat>

Text:

<https://fonts.google.com/specimen/Open+Sans>

1. GLOBAL STYLES

Design: Dark theme overall.

Headers: White, bold, clean sans-serif (Montserrat).

Text: Light grey, regular weight, easy to read (Open Sans).

2. COMMON STYLES

Design: Sections alternate between dark grey and charcoal backgrounds.

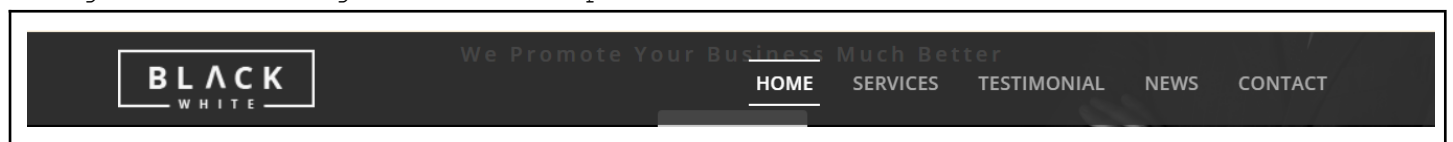

Headers: Placed top-center of sections.

Text (Underline): A short white line sits directly under section headers for decoration.

3. NAVIGATION

Placement: Fixed to the top edge.

Design: Logo on the left, links aligned right. Dark, semi-transparent background. Links get a white top/bottom border effect on hover.

4. BUTTON

Design: Rectangular with slightly rounded corners. White background with dark text.

Hover Effect: Background becomes transparent, text turns white, filled with a dark shadow.

5. HEADER (Hero Section)

Placement: Top of page, under nav.

Design: Full-width background image. Massive, centered, widely-spaced title. Subtitle below. Centered "Read More" button.

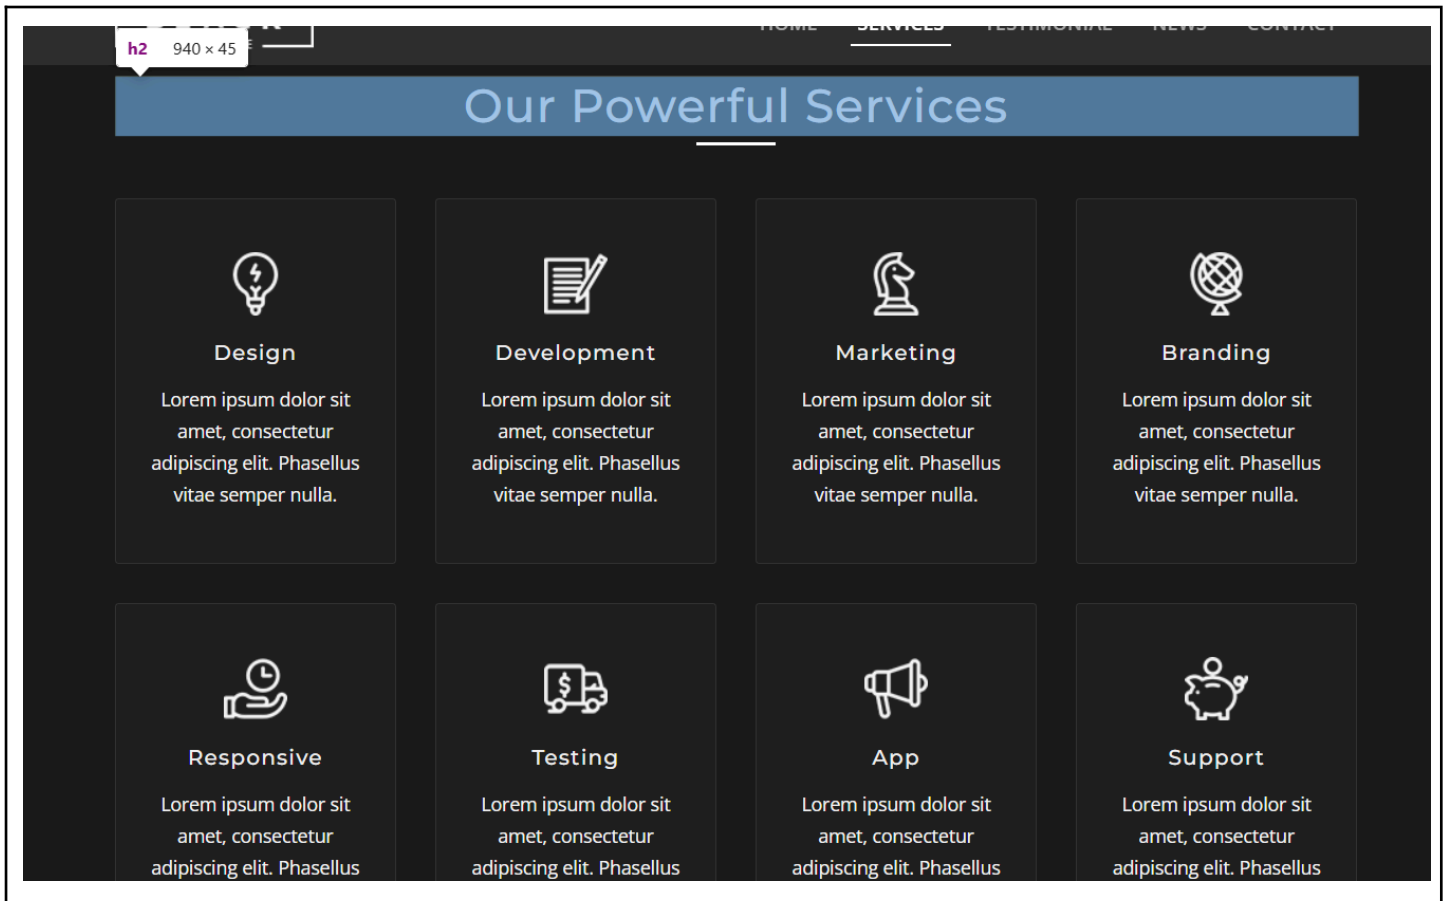

6. SERVICES

Placement: 4-column grid layout.

Design: Dark boxes. Icon top-center, title, and short description below.

Hover Effect: Icon slides upward, white border highlights the bottom edge.

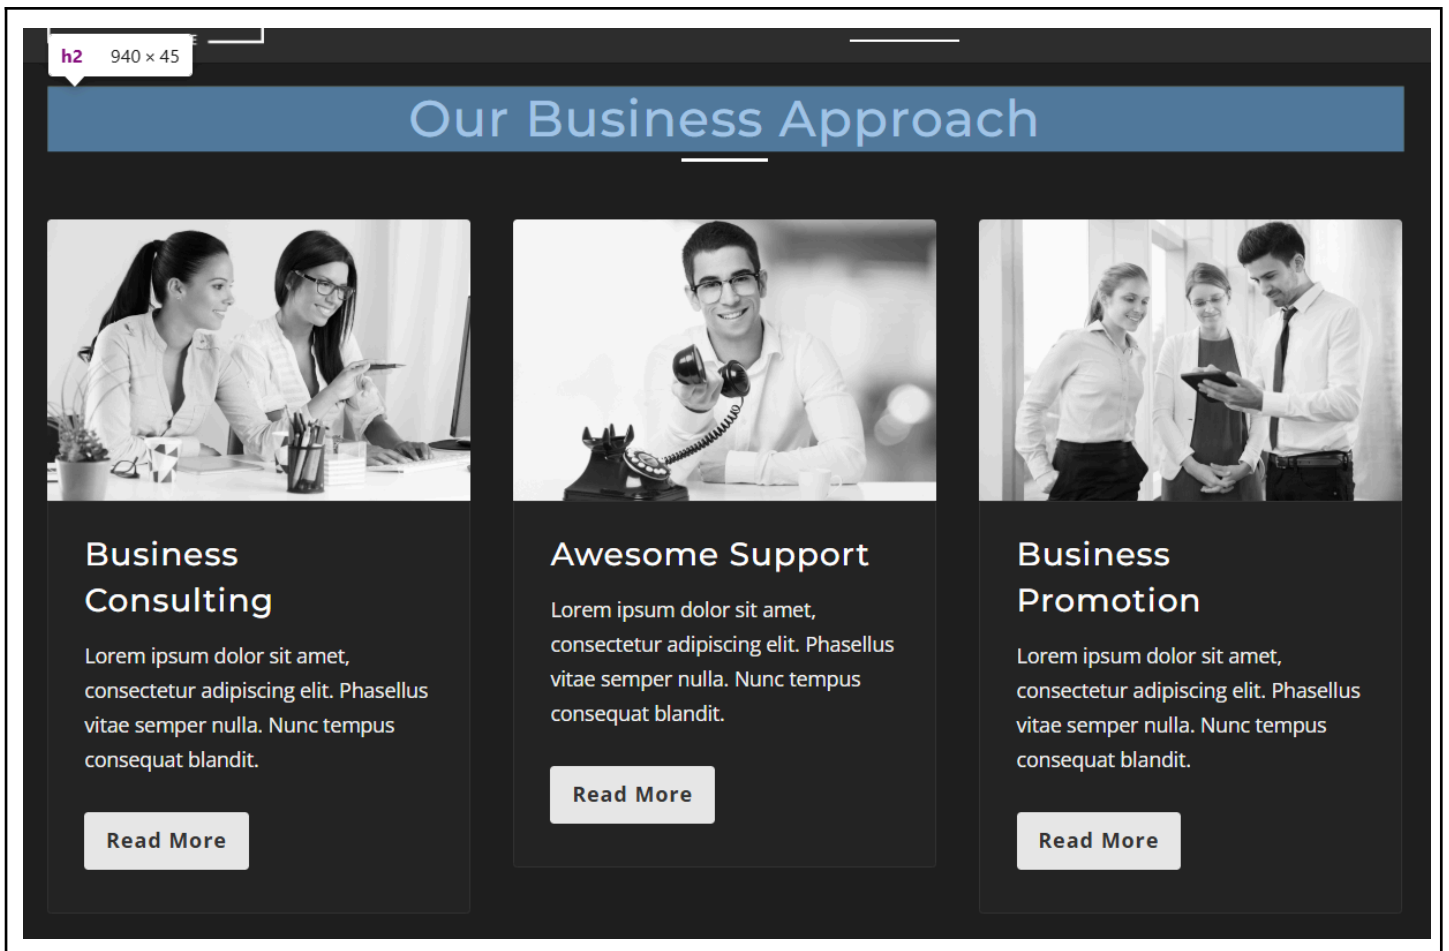

7. THREE COLUMN (Business Approach)

Placement: 3 columns side-by-side.

Design: Image on top, attached to a dark text box below with a button.

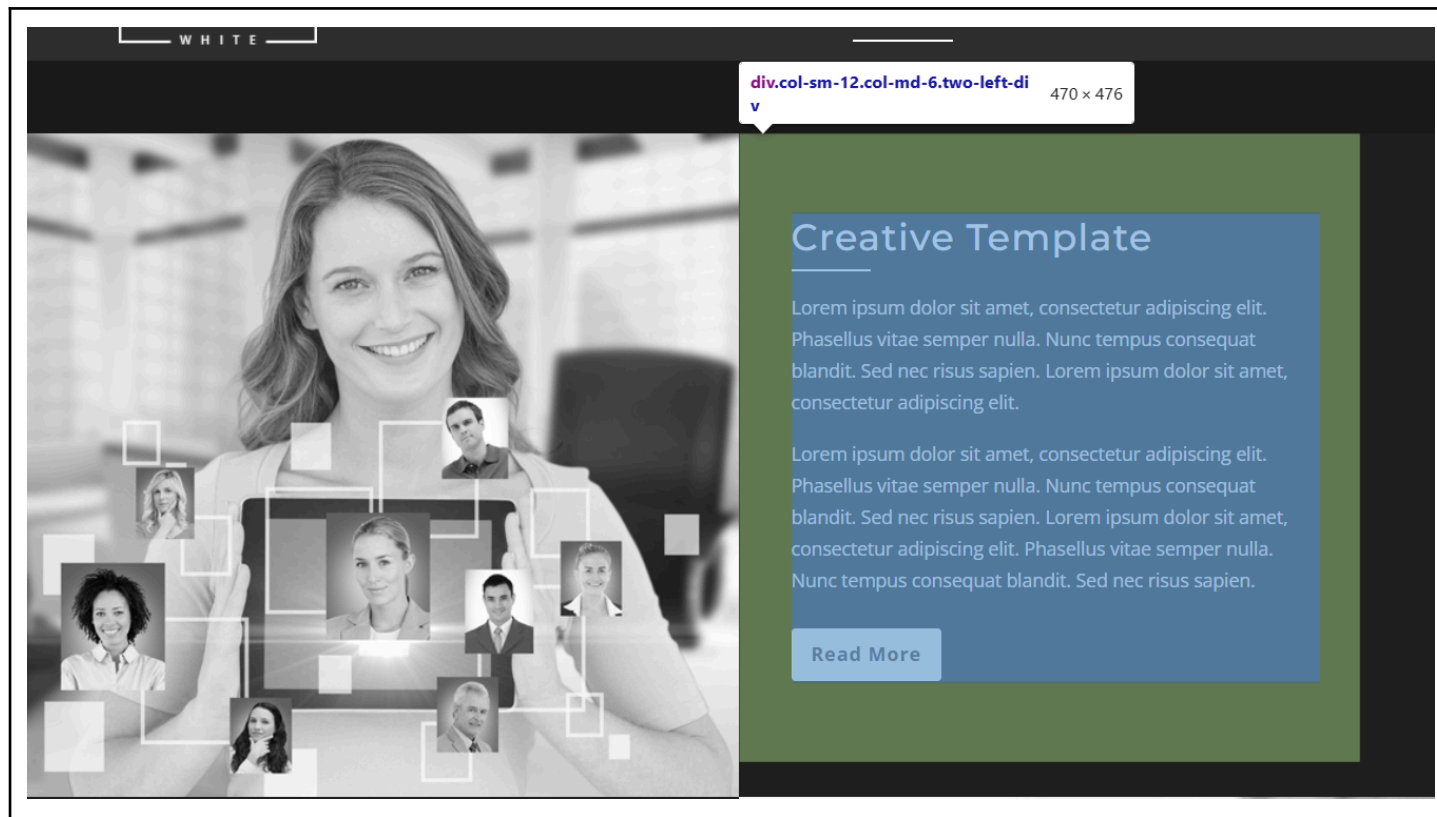

Hover Effect: Image slightly zooms in and dims.

8. TWO COLUMN

Placement: Split 50/50 layout.

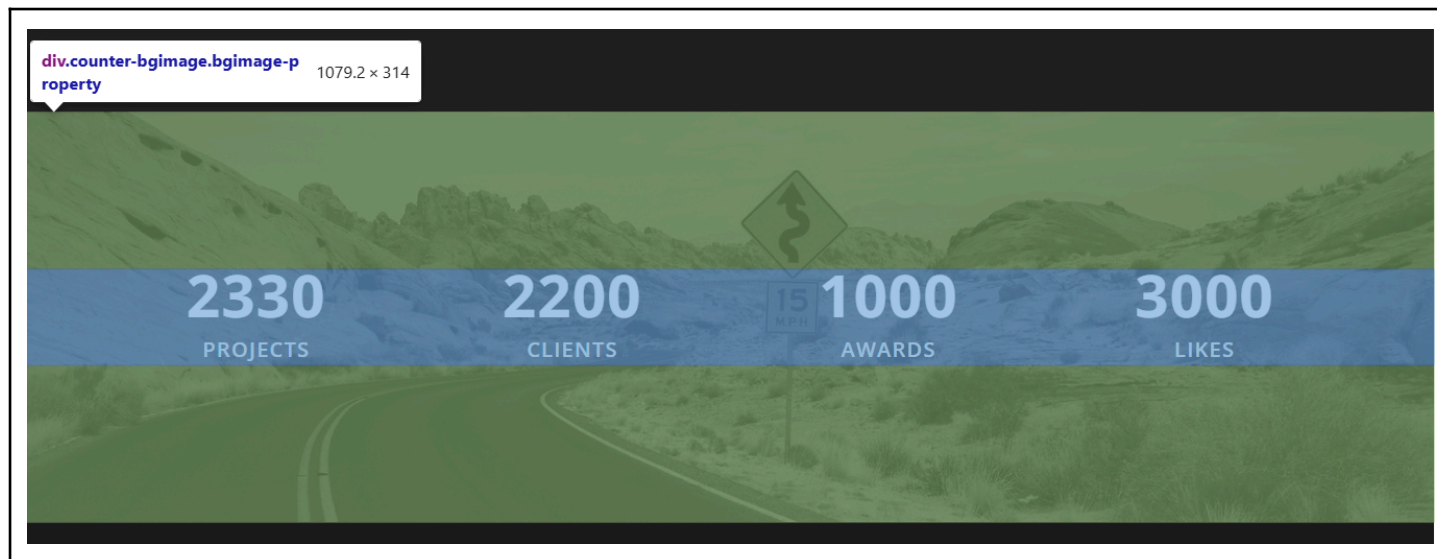

Design: Left side is a half-screen background image. Right side is a text block with a vertical list of icons and text. Next row reverses this (Text left, Image right).

9. COUNTER

Placement: Full-width strip. 4 columns.

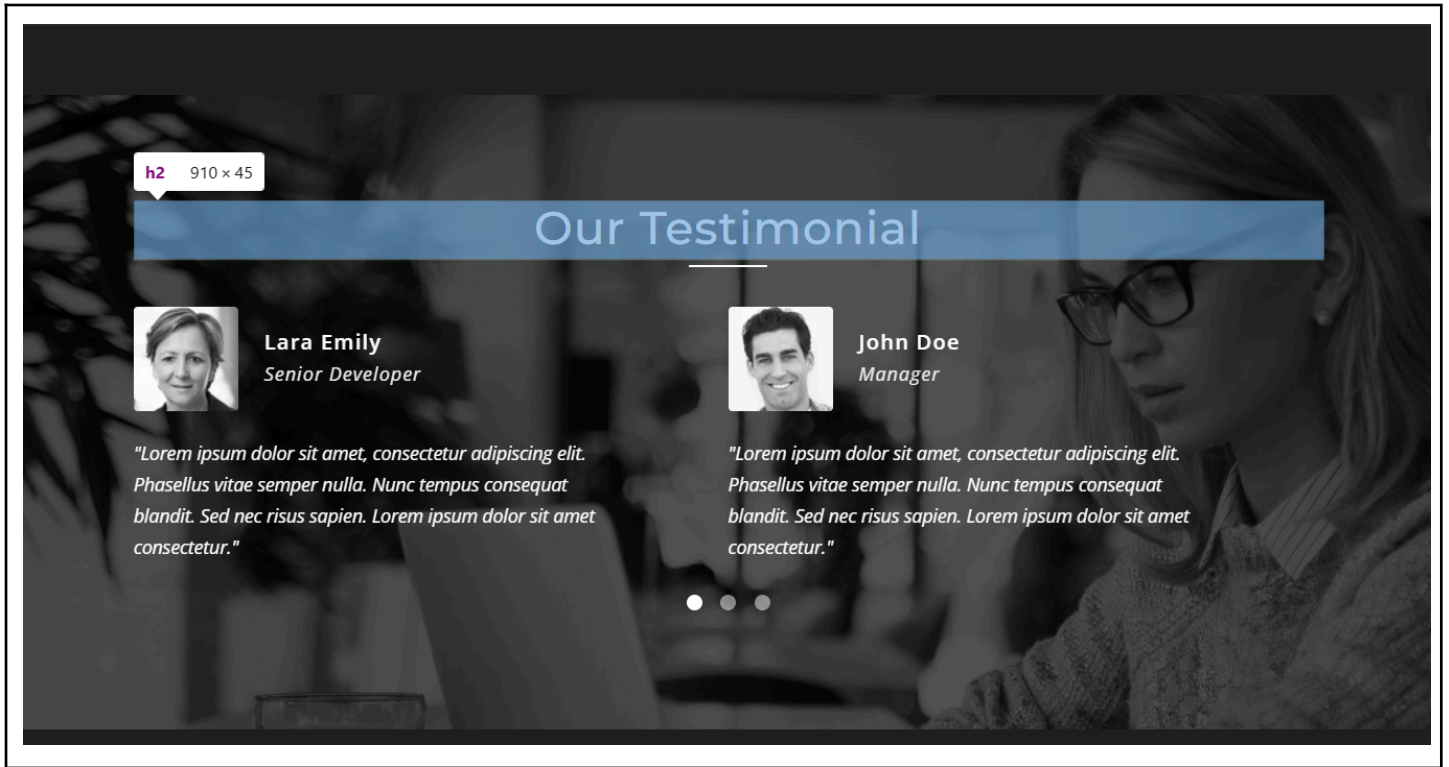

Design: Background image. Large white numbers on top, smaller grey uppercase titles below. Centered.

10. TESTIMONIAL

Placement: Full-width carousel slider.

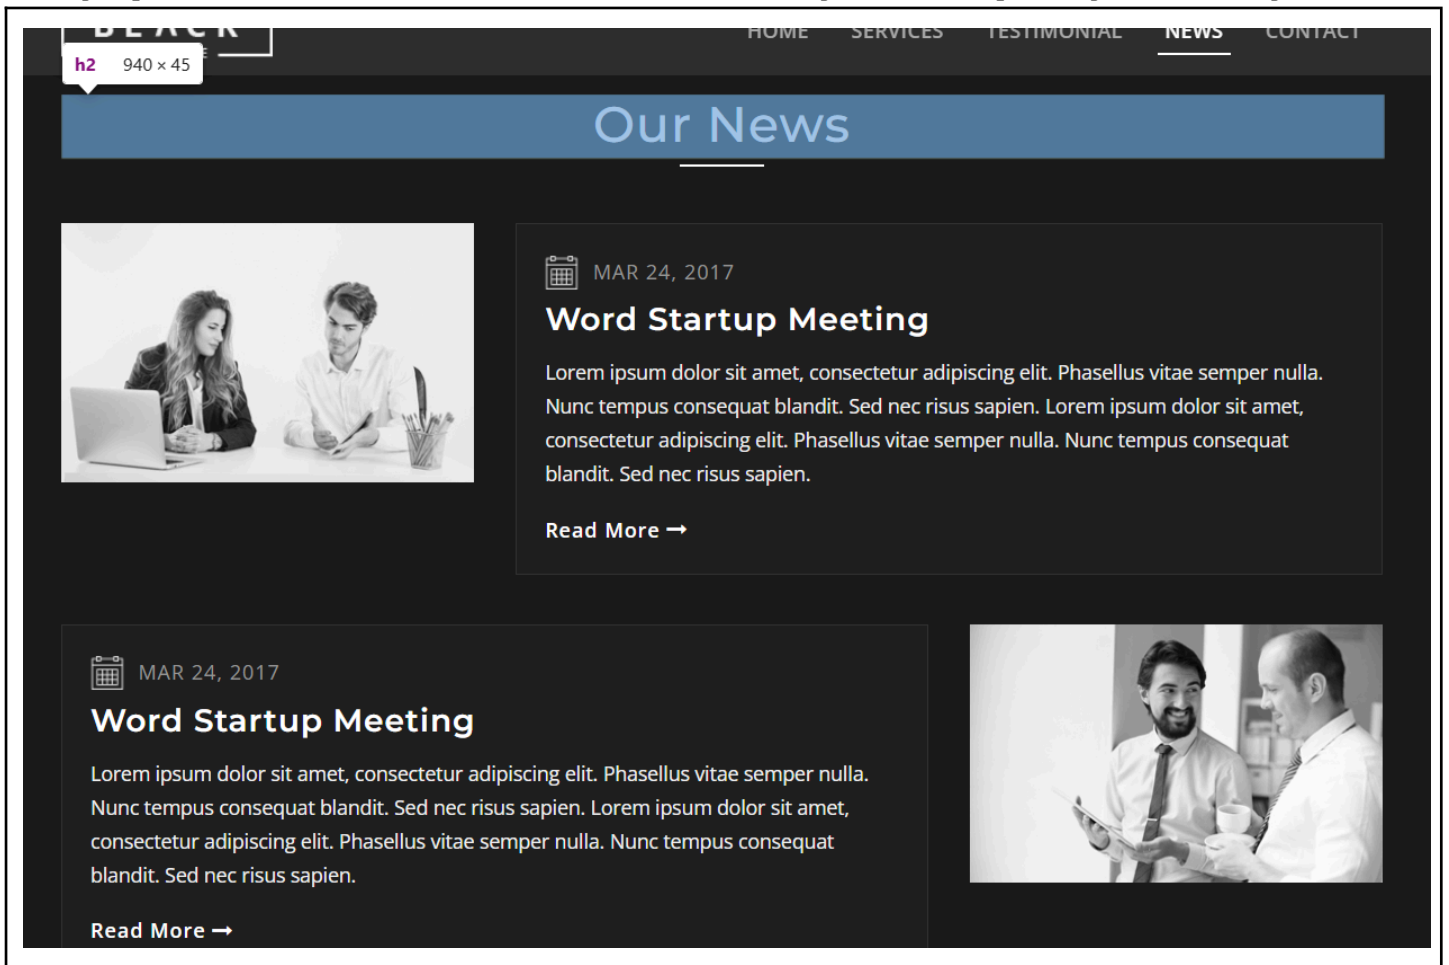

Design: Background image. User avatar + name/title aligned left. Italicized quote paragraph placed below the name.

11. NEWS

Placement: Rows with a 1/3 (Image) and 2/3 (Text) split.

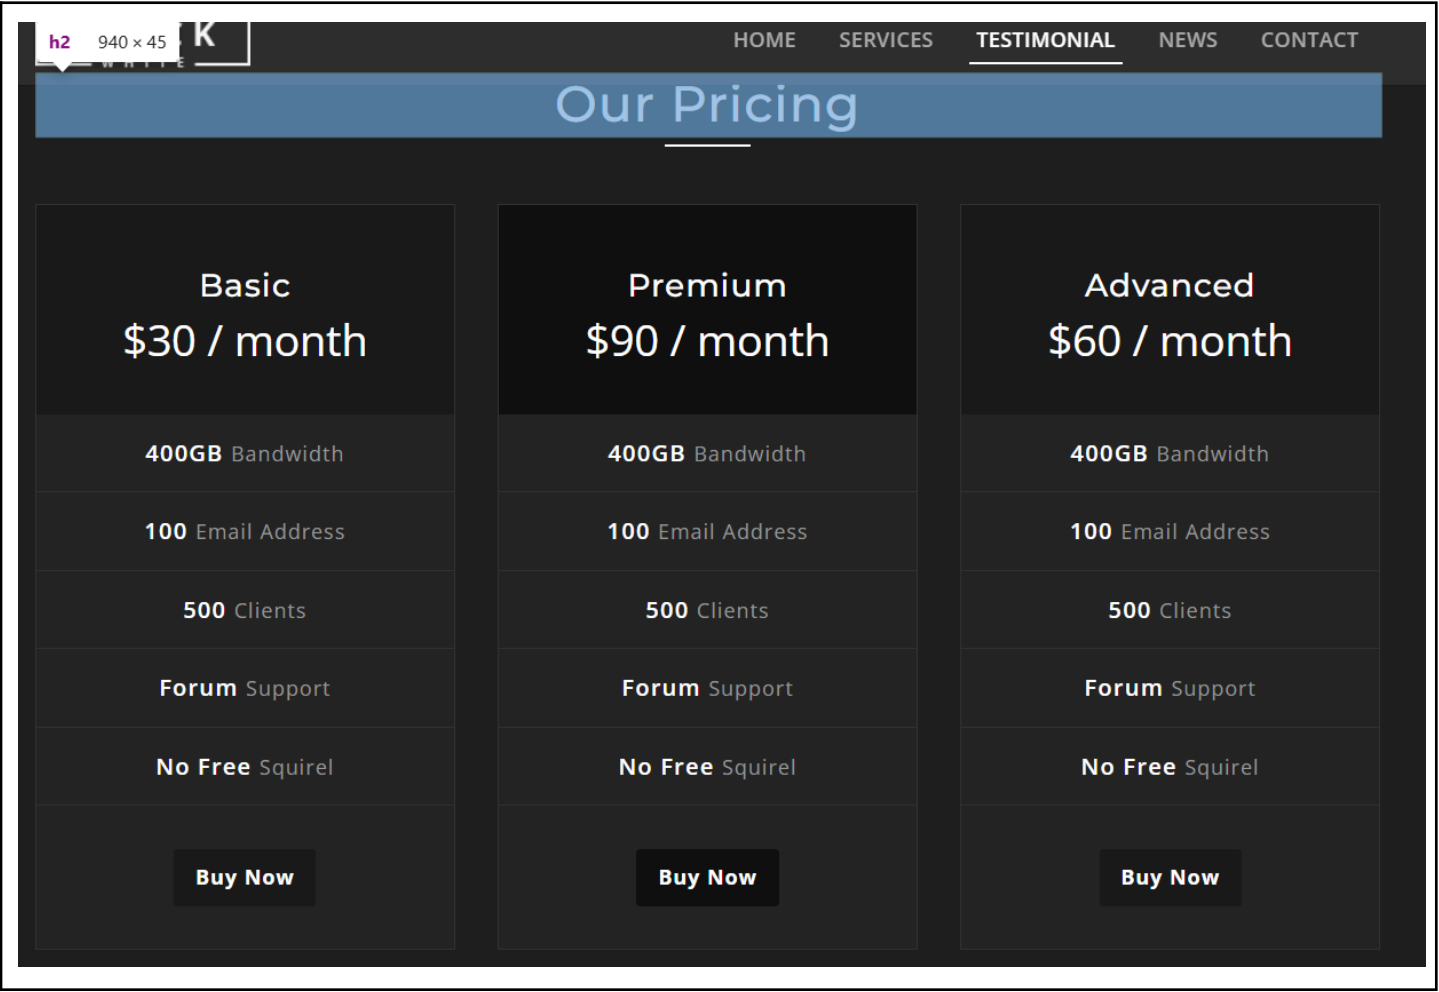

Design: Left: Thumbnail image. Right: Dark text box with date/icon, Title, Paragraph, and a "Read More" link. Alternating rows swap image left/right.

12. PRICE TABLE

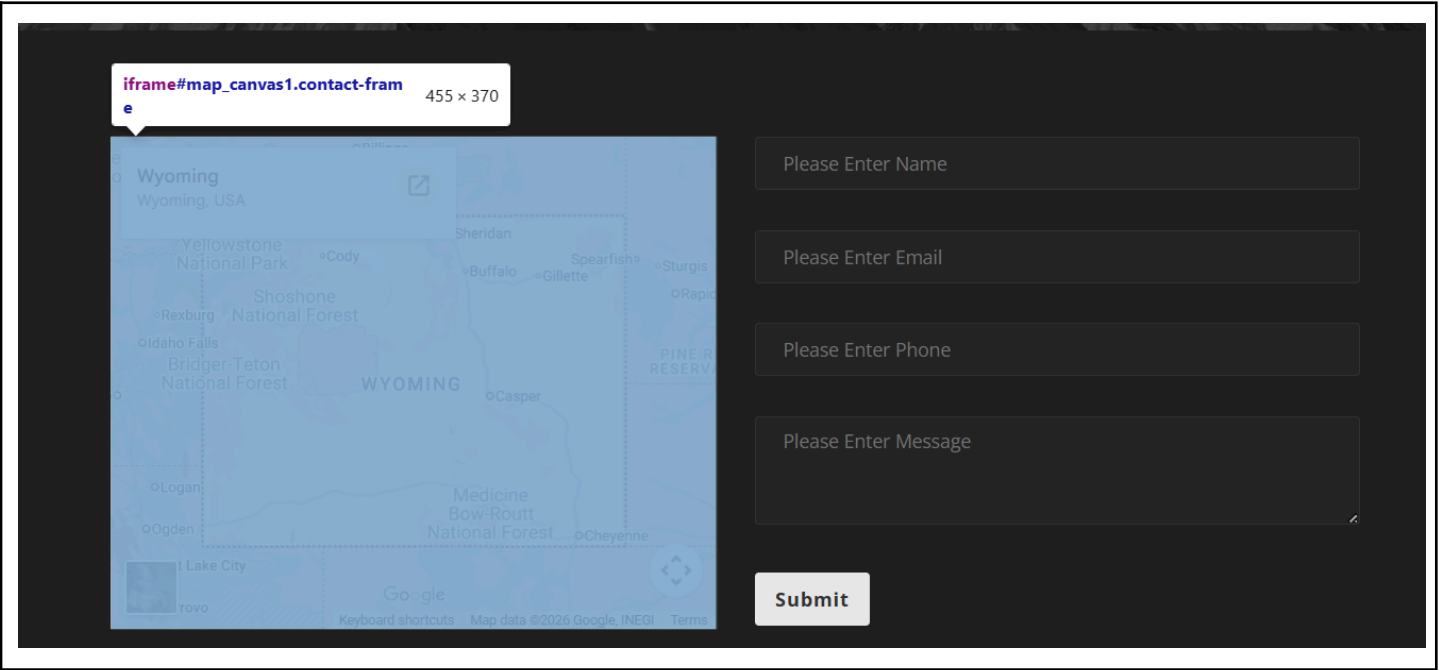

Placement: 3 columns centered.

Design: Dark card style. Header has title and large price. Body has a bulleted list separated by thin lines. Bottom button. Middle "Premium" card is darker to stand out.

13. CONTACT

Placement: Split 50/50 layout.
Design: Left: Full-height Google Map (styled in 100% black & white). Right: Dark form (Name, Email, Phone, Message, Submit Button) with dark input fields.

14. SUBSCRIBE (Header Strip & Footer)

Placement: Thin horizontal banner.

Design: Background image. Left: Heading & text aligned left. Right: "Buy Now" button aligned right, vertically centered.

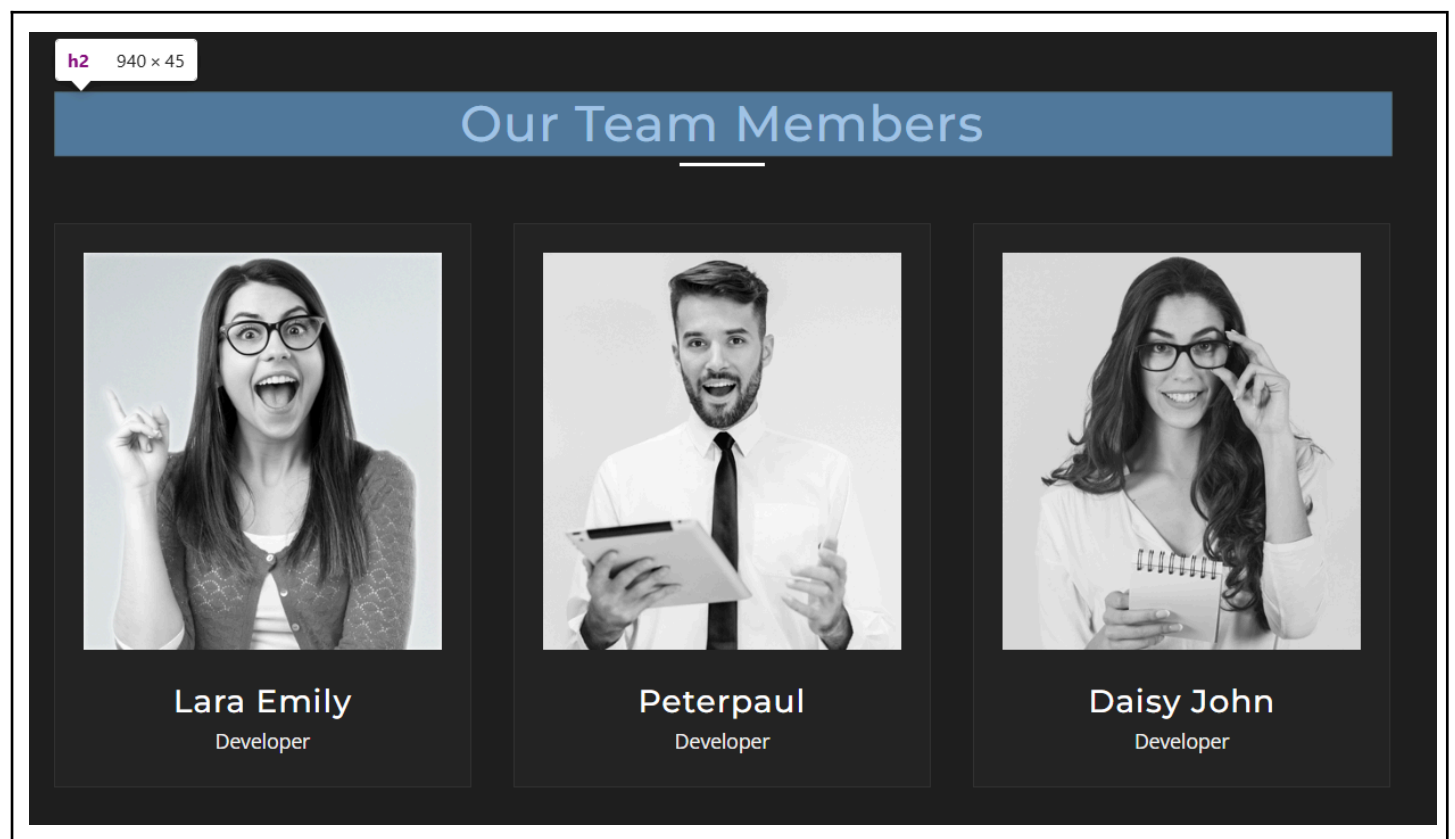

15. TEAM

Placement: 3 columns.

Design: Portrait image on top, Name and Role below.

Hover Effect: Dark overlay covers the image, 4 social icons slide up from the bottom.

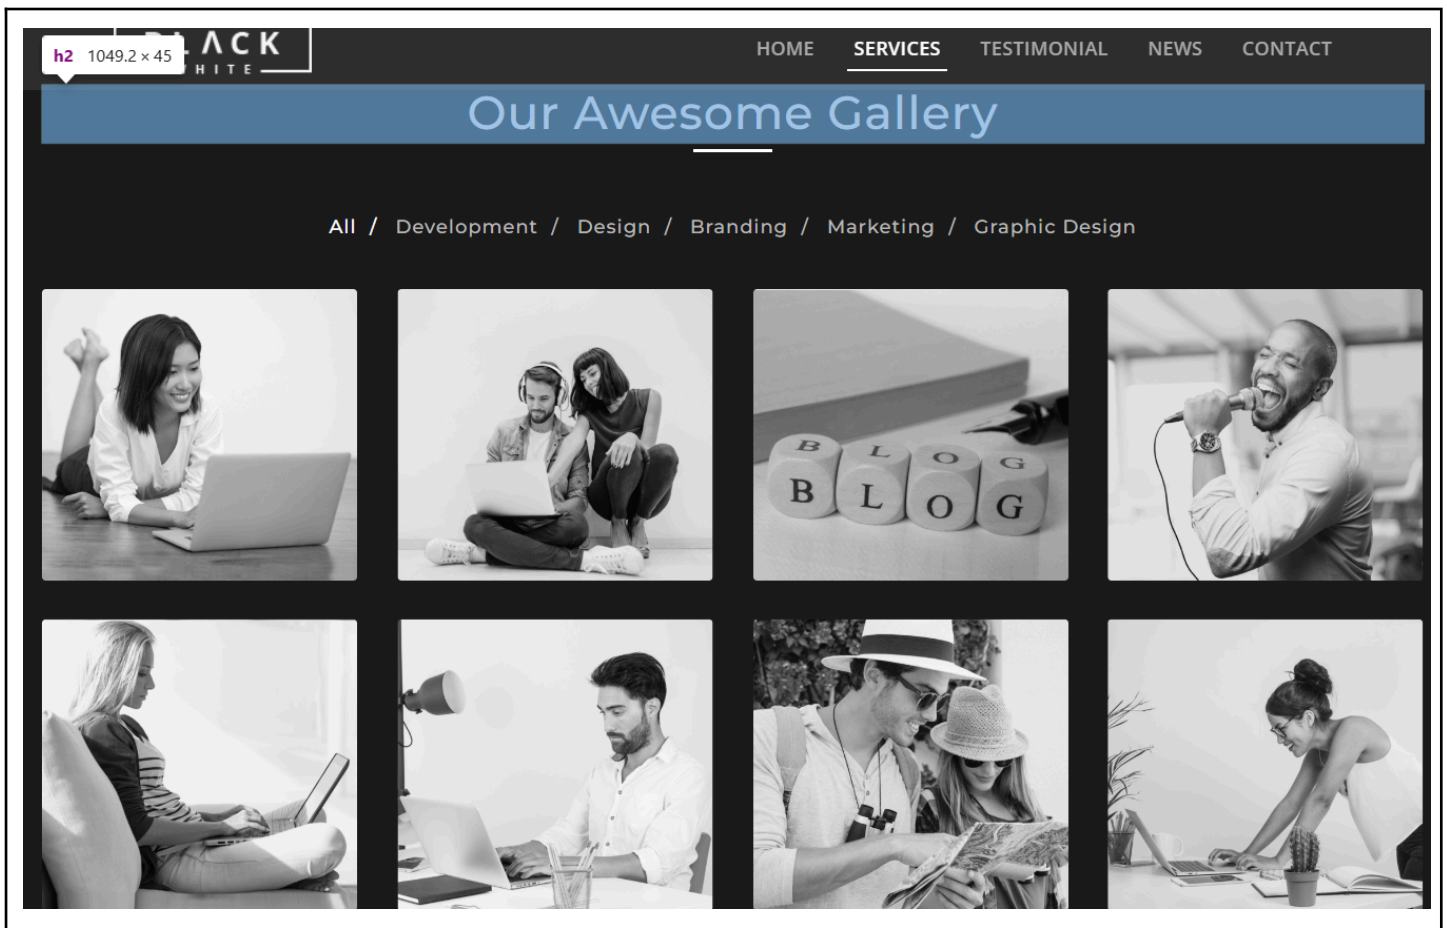

16. GALLERY

Placement: Filter menu on top, 4-column grid of images below.

Design: Centered text menu. Images have slightly rounded corners.

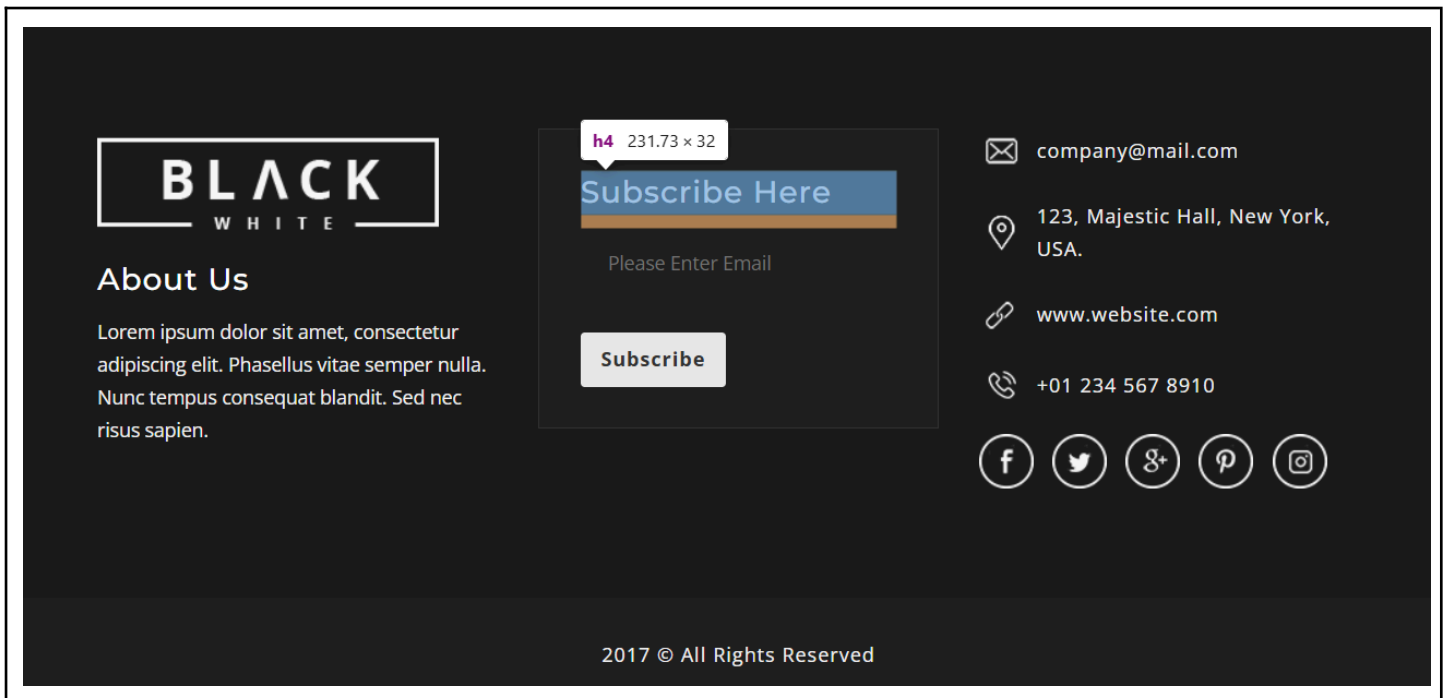

Hover Effect: Black overlay appears, a white outline border shrinks inward, and a magnifying glass icon appears in the center.

17. FOOTER

Placement: Bottom of page, 3 columns.

Design: Left: Logo & About text. Center: Email subscribe input + button. Right: Contact info (icons + text) and horizontal social media icons. Very bottom has a darker grey copyright bar.

18. MEDIA QUERIES

Mobile (< 767px):

Navbar converts to a hamburger toggle menu. Navigation links stack and hover borders shrink.

Hero Headings shrink (H1 to 35px).

Sections drop to 100% width stacked blocks.

Image hover zoom effects and borders are adjusted to fit narrow screens.

Tablet (768px - 991px):

Split-screen columns (like TWO COLUMN section) stack vertically instead of side-by-side.

Max container widths adjust to 750px.

Laptop (992px - 1199px):

Minor padding adjustments (e.g., Two column layout paddings drop from 80px to 60px). Hover positions for team social icons slightly adjusted to fit the viewport.

Design Overview:

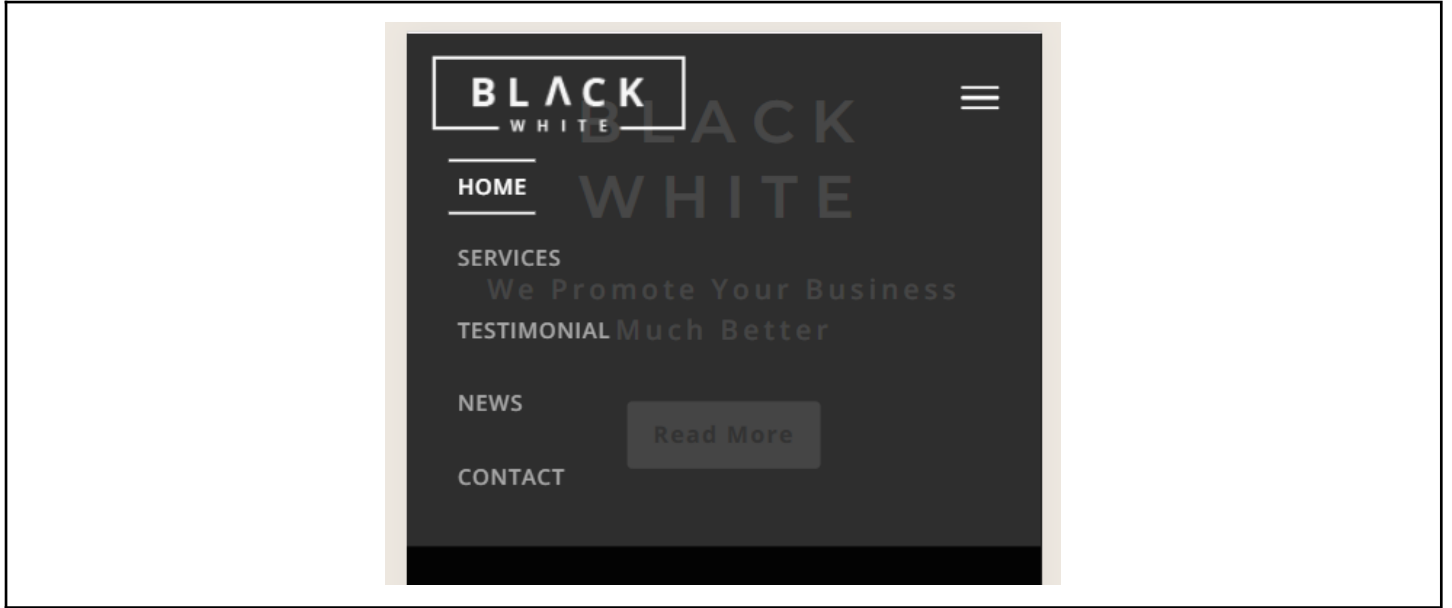

Multi-column grids (3 or 4 cols) drop to 1 or 2 columns. Giant headings shrink by ~30% to prevent horizontal scrolling. Large padding sections shrink. Images stretch to 100% container width. Navigation hides behind a toggle button.

Mobile view

1. NAVIGATION

Placement: Fixed at the top.

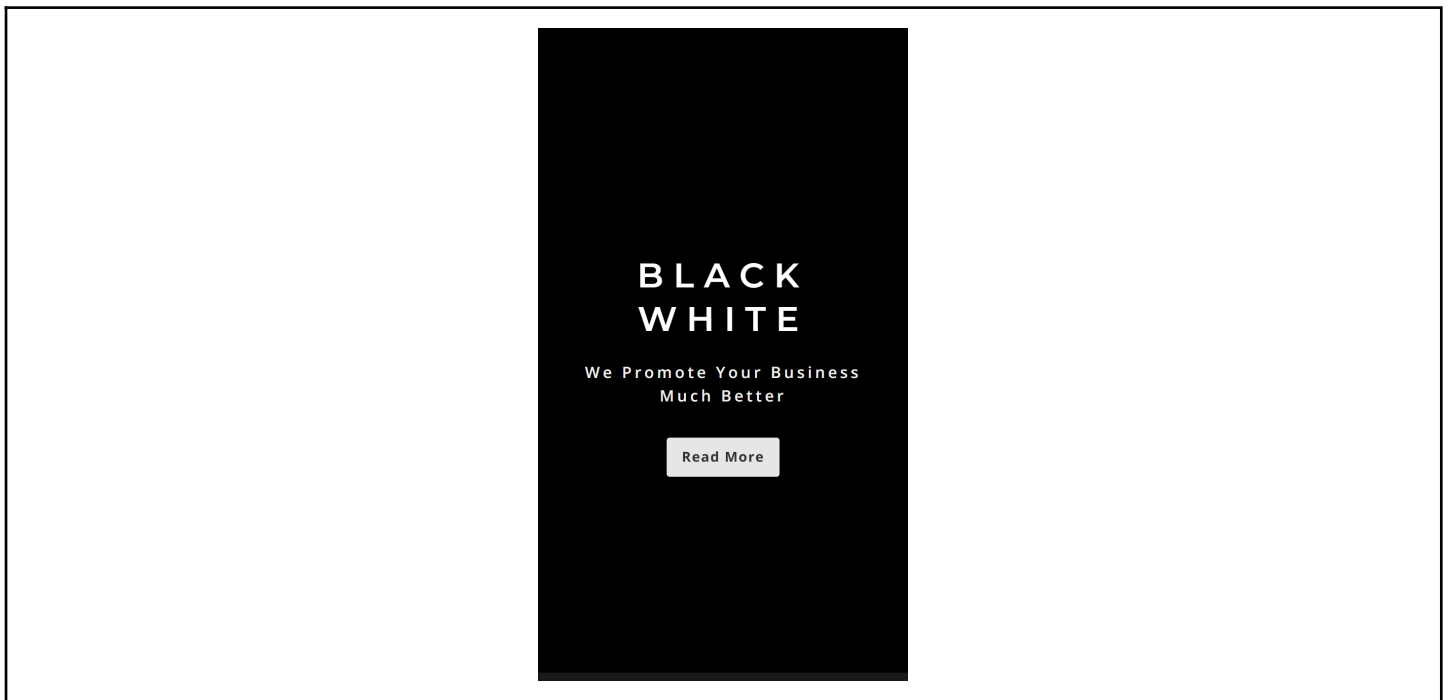

Design: Logo stays on the left. Links hide behind a Hamburger Menu icon on the right. When tapped, links stack vertically with a dark background.

2. HEADER (Hero)

Placement: Top of page.

Design: Text and button remain center-aligned. The spacing is tighter, and the font size is reduced to fit the narrow screen.

3. SERVICES

Placement: 1-column stack.

Design: The 4 desktop columns break into a single vertical column. Each dark service box takes up 100% width, stacked one under the other with equal spacing.

4. BUSINESS APPROACH

Placement: 1-column stack.

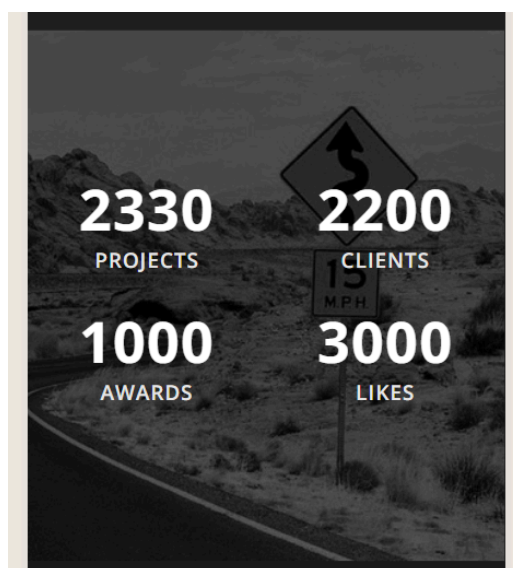

Design: Image sits directly on top of its corresponding text box. All 3 items stack vertically.

5. COUNTER

Placement: 2x2 Grid.

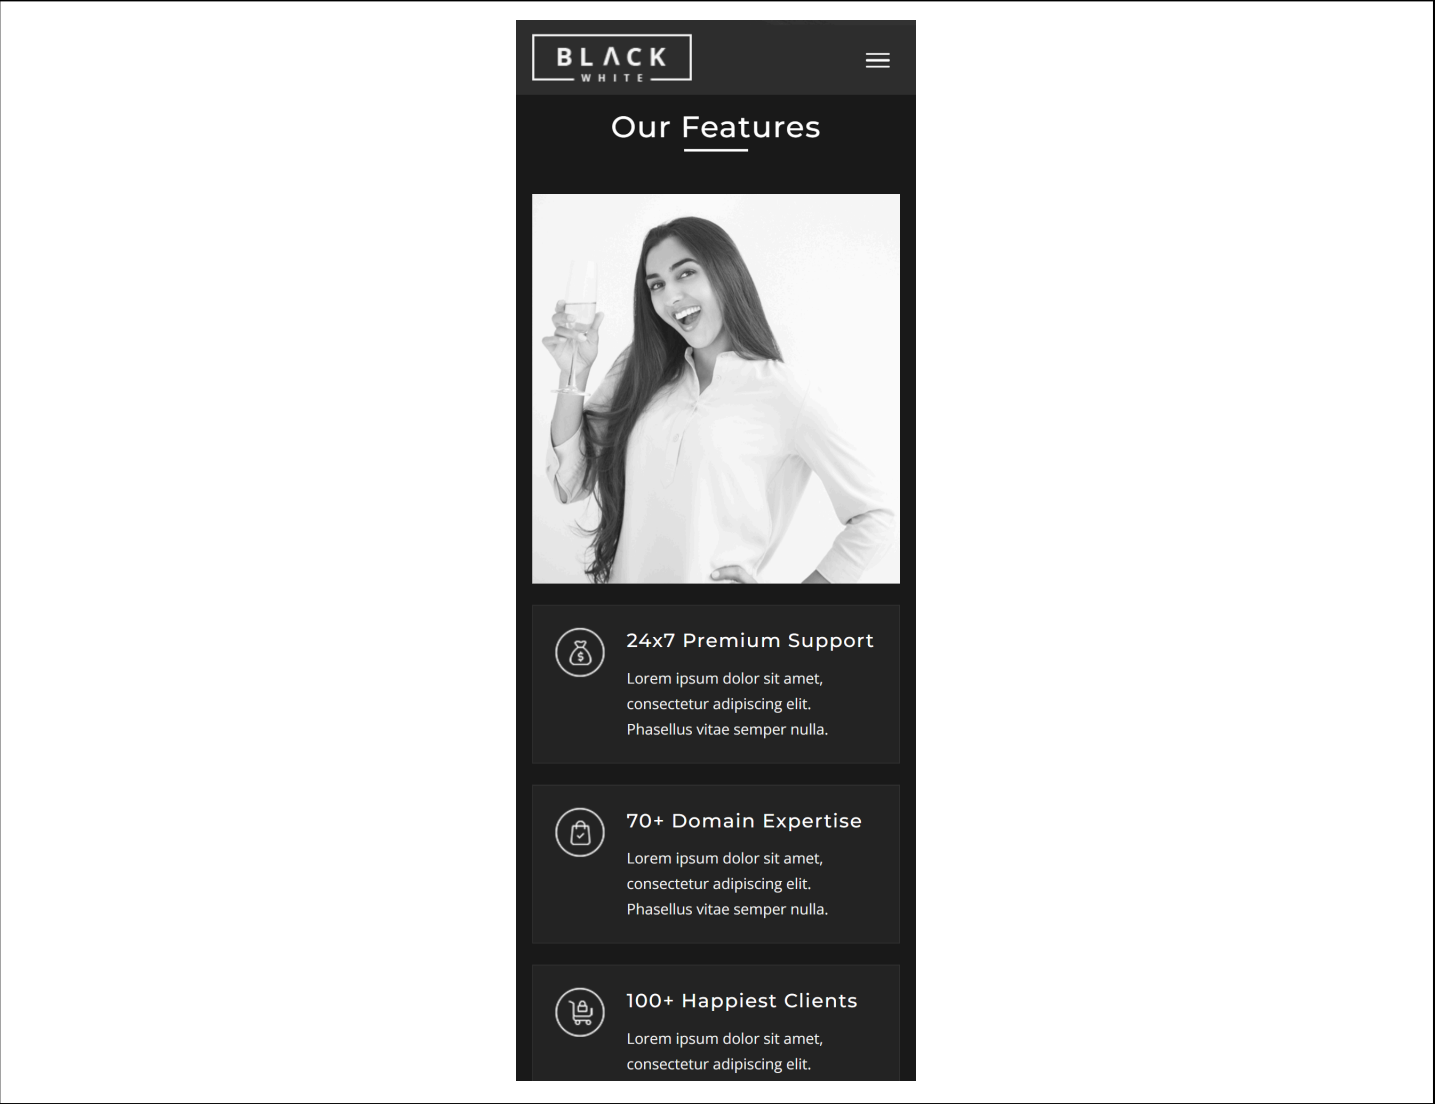

Design: Instead of 4 in a row, the numbers form a 2-column by 2-row grid to save vertical space while remaining readable.

6. FEATURES (Left/Right Layout)

Placement: 1-column stack.

Design: The side-by-side layout breaks. The large portrait image sits on top, and the list of features (icons + text) stacks directly below it.

7. CREATIVE / MODERN TEMPLATE (Two Column)

Placement: 1-column stack.

Design: The desktop version alternates (Image/Text, then Text/Image). On mobile, this normalizes: Image is always on top, Text is always on the bottom for both sections.

8. GALLERY

Placement: Menu wraps, Images form a 2-column grid.

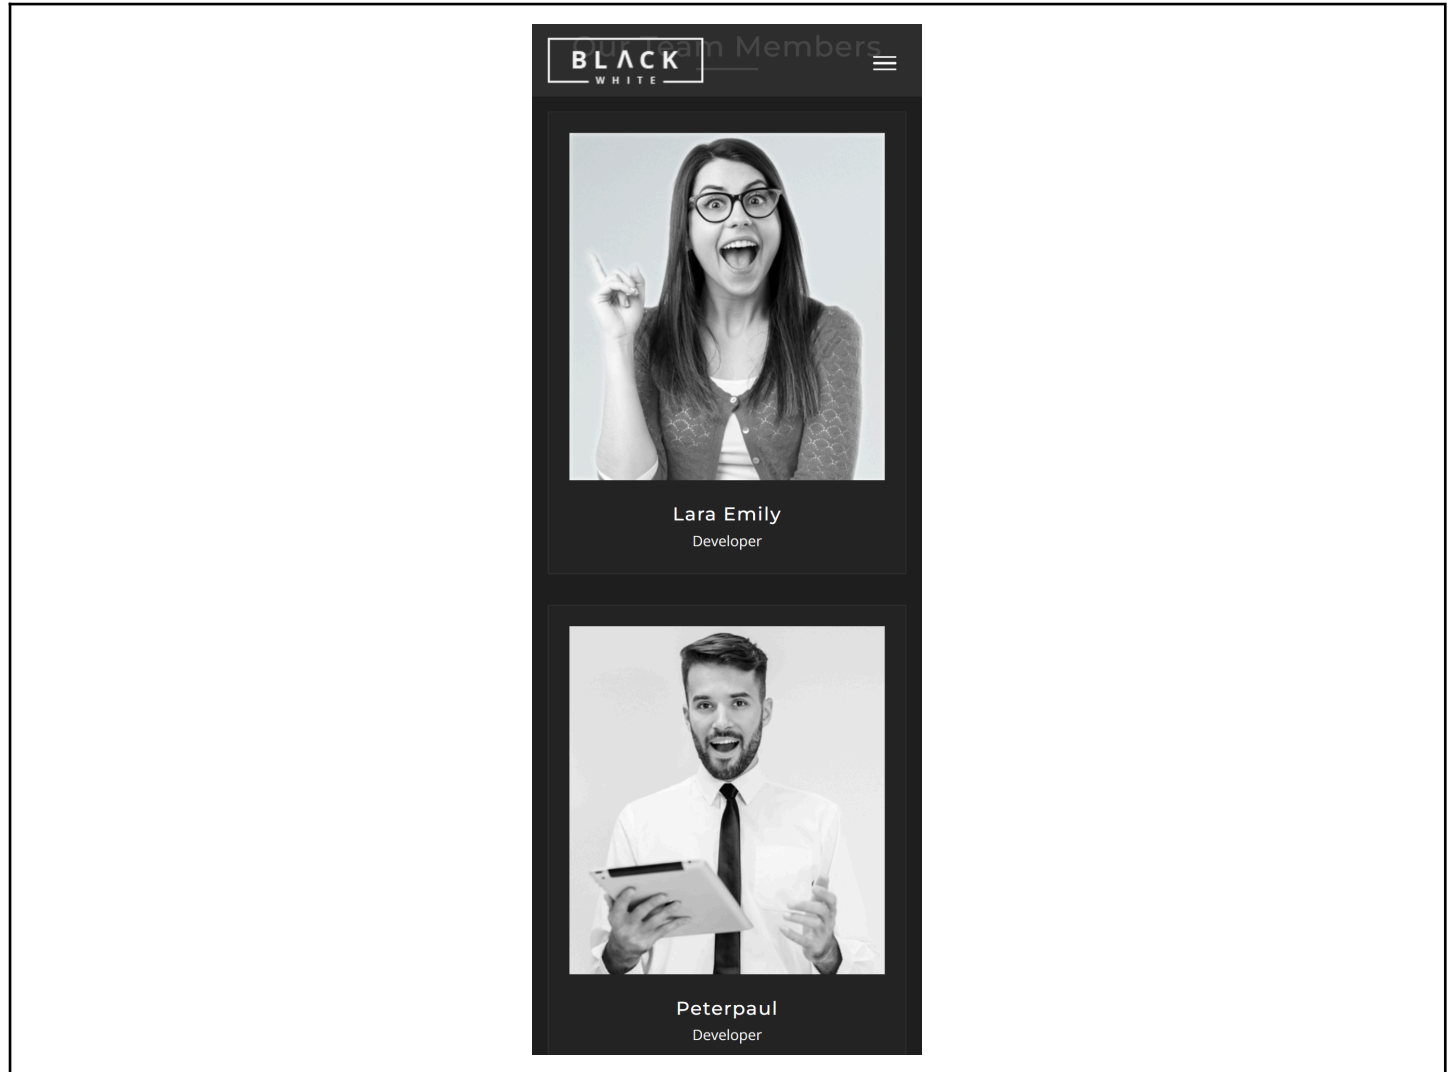

Design: The text filter links wrap into multiple lines. The gallery images shrink and sit side-by-side (2 per row) instead of 4 per row.

9. TEAM MEMBERS

Placement: 1-column stack.

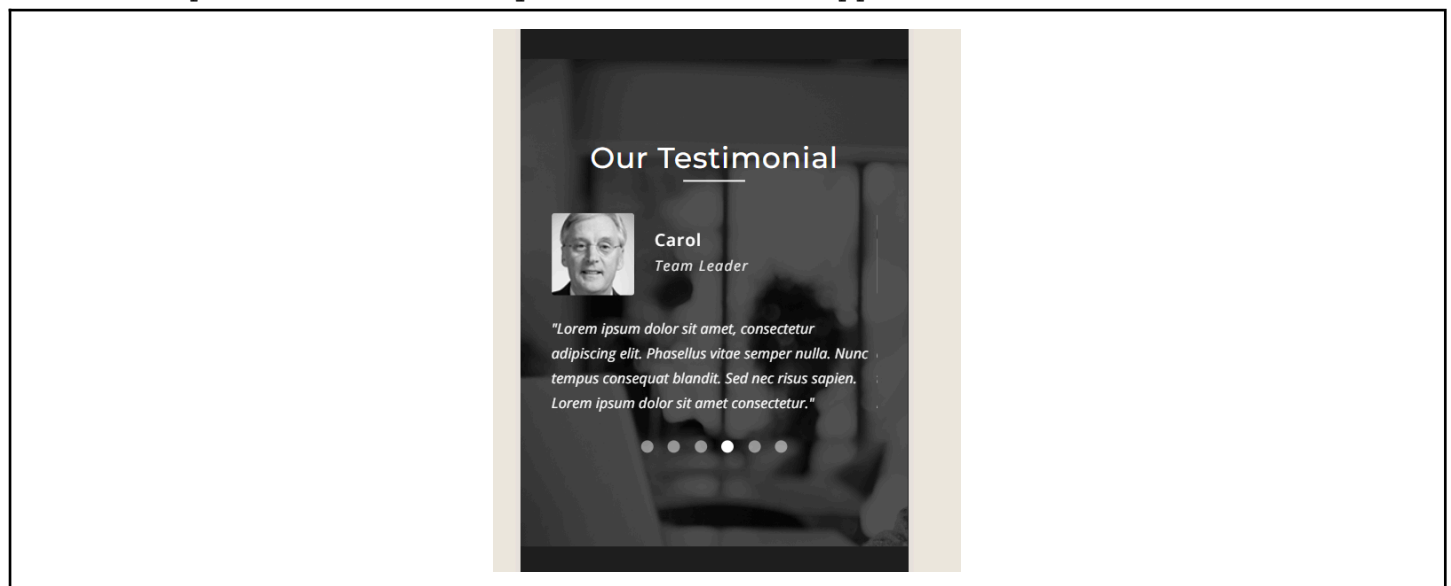

Design: Team member photos stretch to full width, stacking vertically. Name and role sit below each photo.

10. TESTIMONIAL

Placement: 1-column slider.

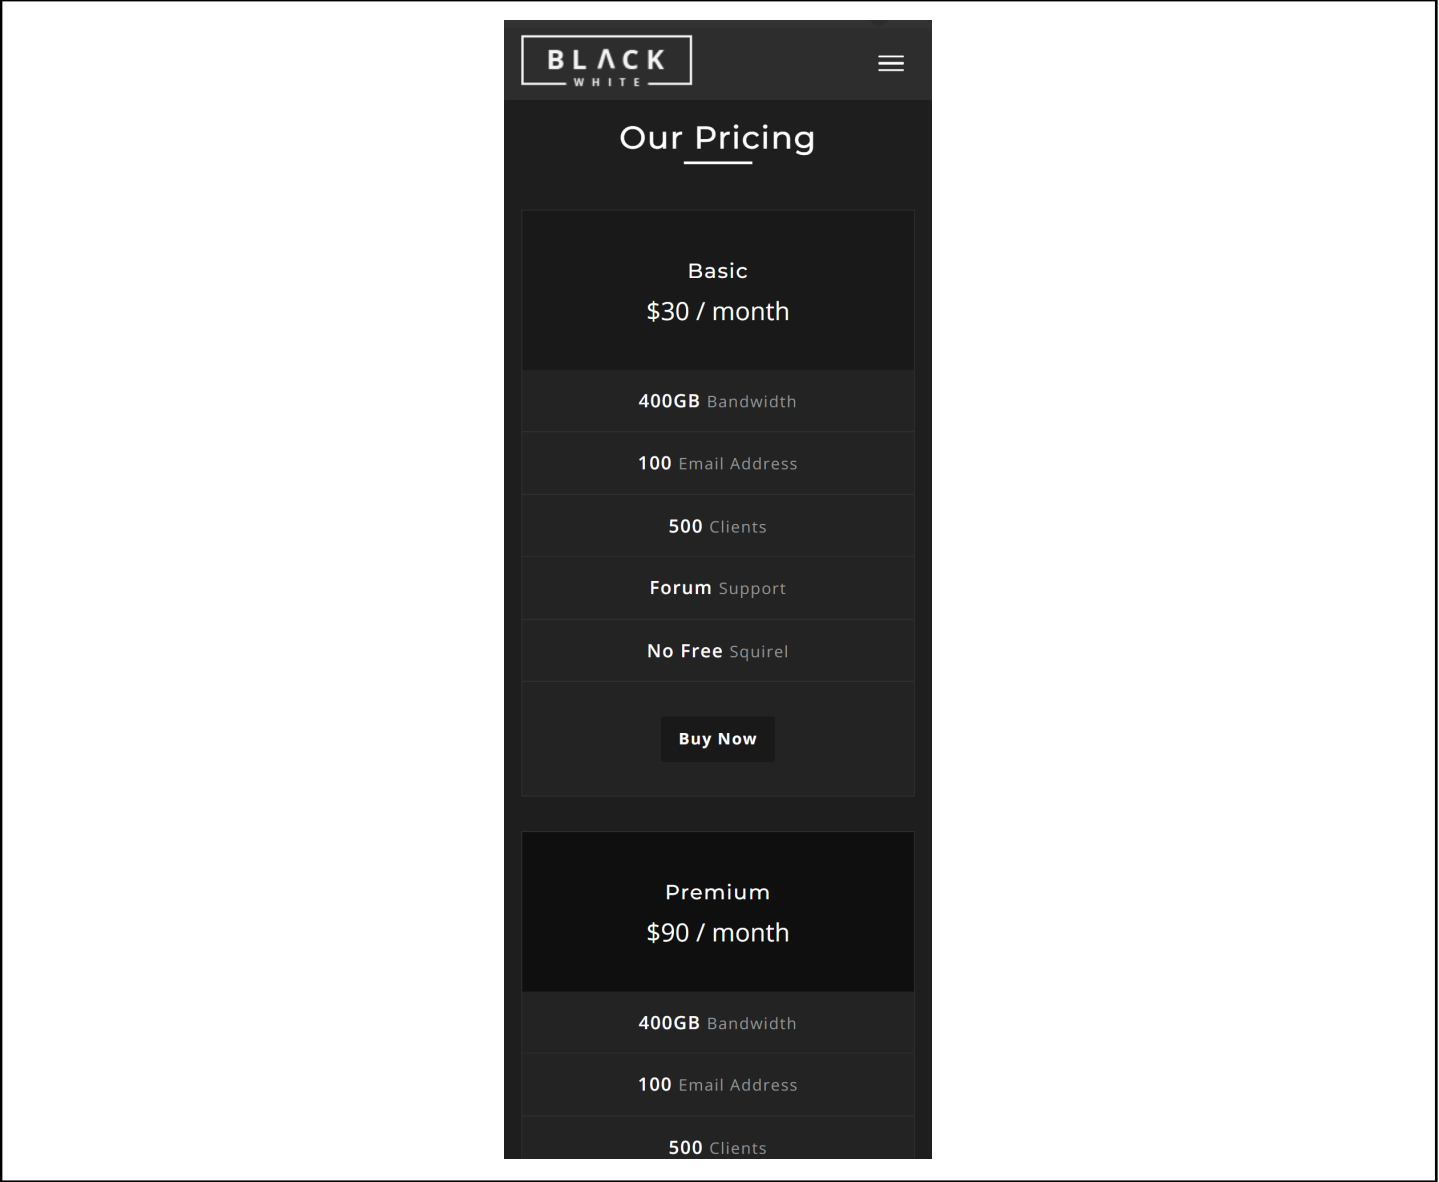

Design: User avatar, name, and quote remain left-aligned but take up full width. Swipeable horizontally. Carousel dots appear at the bottom.

11. PRICING

Placement: 1-column stack.

Design: Basic, Premium, and Advanced cards stack vertically. Margin is added between them so they don't touch.

12. CALL TO ACTION (CTA)

Placement: Full width, centered.

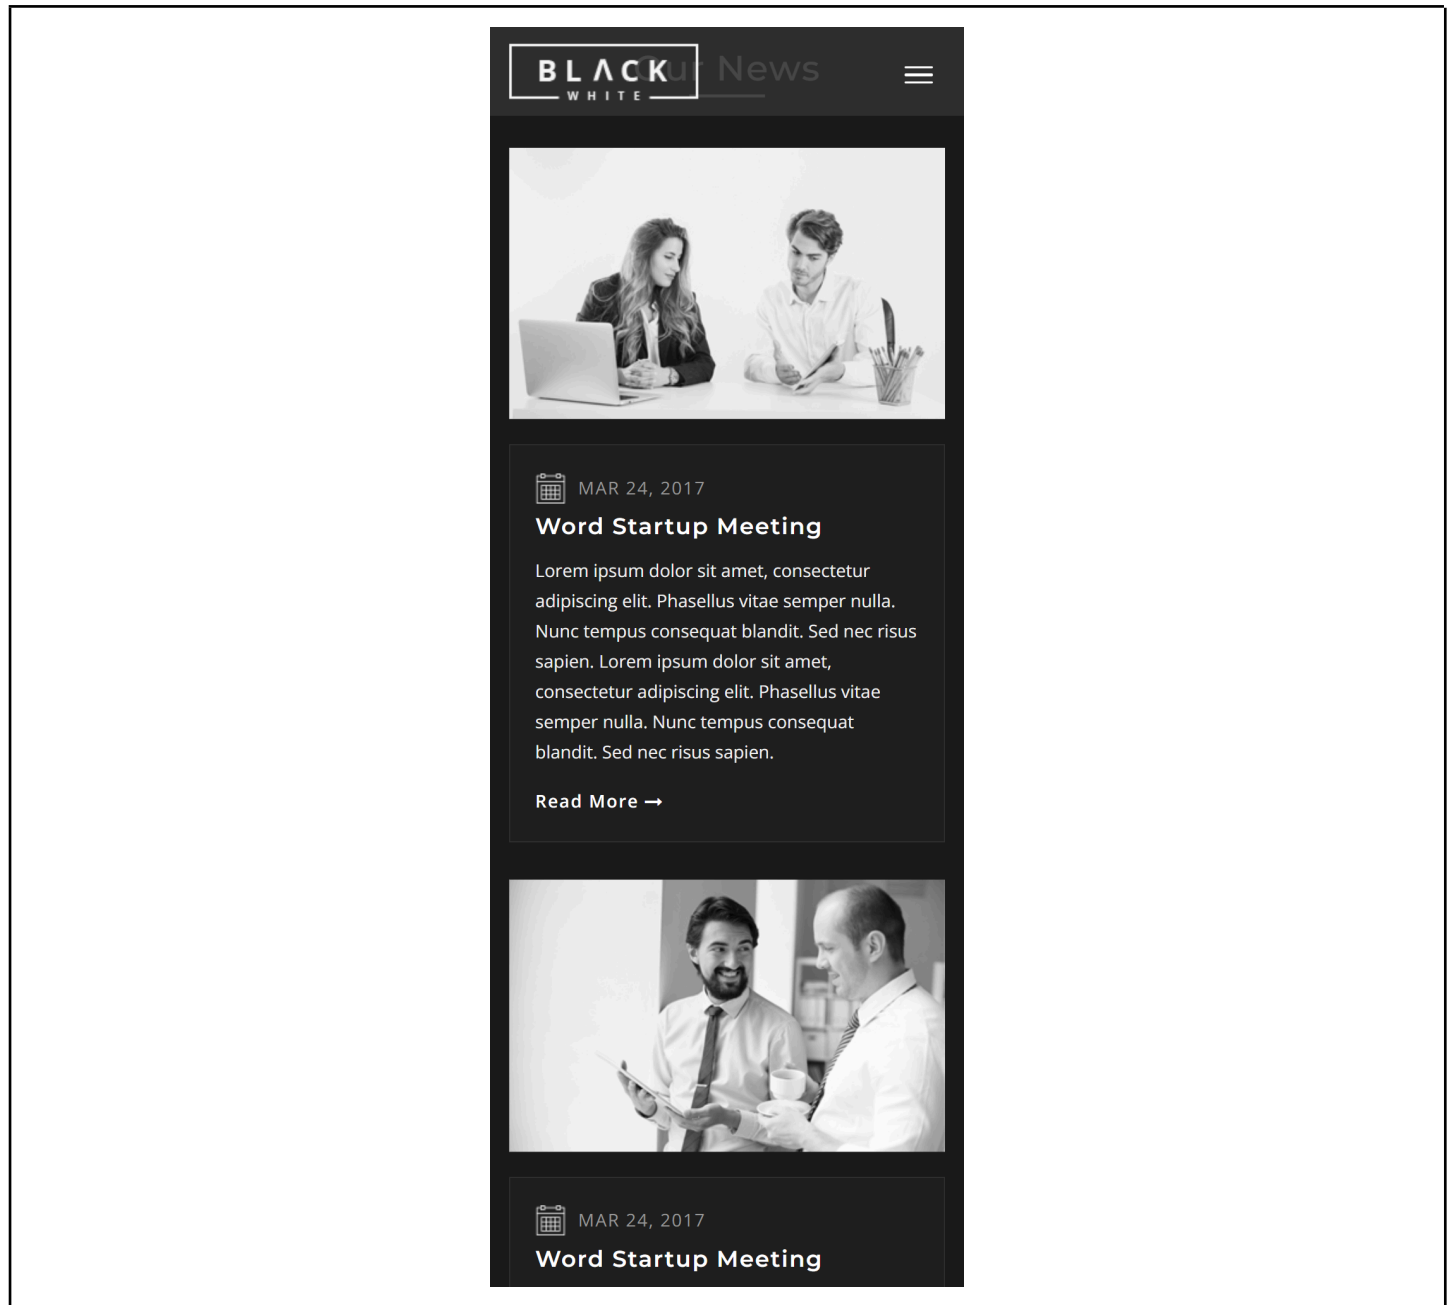

Design: Heading, paragraph, and button remain perfectly centered but text wraps to fit the narrow screen.

13. NEWS

Placement: 1-column stack.

Design: The alternating left/right layout is removed. The news image sits on top, and the dark text box (date, title, paragraph, link) sits directly beneath it.

14. SPONSORS

Placement: 2x2 Grid.

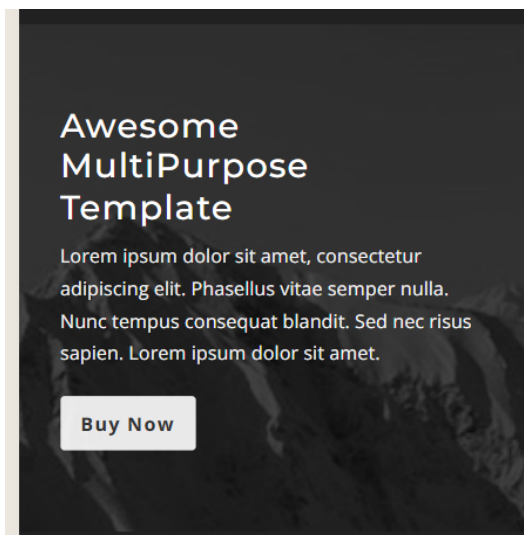

Design: The 4 sponsor logos break into 2 rows of 2, perfectly centered.

15. HEADER STRIP (Awesome Multipurpose Template)

Placement: 1-column stack.

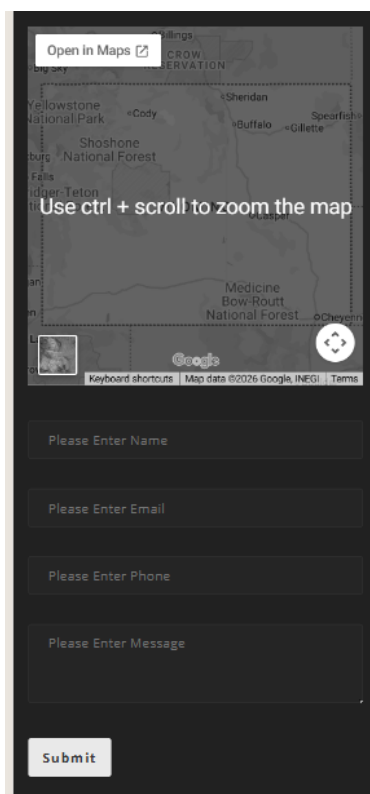

Design: The text (left) and button (right) stack. Text is on top, button is pushed to the bottom.

16. CONTACT

Placement: 1-column stack.

Design: The Google Map goes on top (full width). The dark input form sits directly below it. Inputs stretch to 100% width.

17. FOOTER

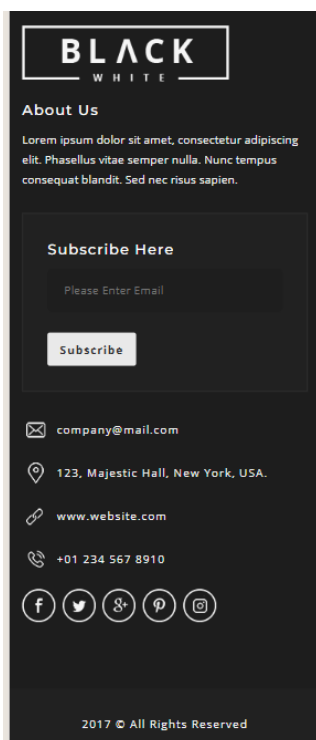

Placement: 1-column stack.

Design: The 3 desktop columns break.

Top: Logo and About text.

Middle: Subscribe email input and button (stacked).

Bottom: Contact icons and social media links.
